

AERO Conference 2017

August 3rd - 6th at Long Island University

Back At LIU!

We are happy to announce that this year's AERO conference will be back in New York, at the Long Island University C.W. Post campus in beautiful Greenvale, NY.

Families can stay on campus in the dorms. Dorm room rates are unbelievably low, with special rates for couples and families.

The campus is only 27 miles from New York City and only 8 minutes from Long Island's beautiful seashore.

Our Keynote Speakers
